

EXTENDED

Planmeca PlanMill® 35

Planmeca PlanMill® 60 S

LIMITED TIME OFFER

OVER 30% OFF MSRP

Special pricing on Planmeca CAD/CAM

Go for the increased production and expanded treatment capacity you've wanted with limited-time pricing on your choice of **Planmeca PlanMill® 35** and **PlanMill® 60 S**. Have control over timing and quality when you produce in-house and expand your capabilities to single-day crowns, dentures, bridges, surgical guides, night guards, and more.

With the flexibility to add a Planmeca Mill to your existing scanner protocol – including CEREC® – the challenge will be choosing how many mills to add!

\$15,715 MSRP
